

**Every Singaporean A Naturalist (ESN)
Frog & Lizard Monitoring Datasheet**

Name of School:	Date:
Name of Leader:	Start Time:
Name of Team Members:	End Time:
	Transect Details:
	Are you accompanied by an NSS volunteer or teacher? Yes / No (circle whichever applicable)

Weather	Ranking	Remarks
Cloud cover (1-clear & sunny, 3-overcast)	1 / 2 / 3	
Precipitation (1-no rain, 3-downpour)	1 / 2 / 3	

Monitoring Instructions
<p><u>Before</u></p> <ol style="list-style-type: none"> 1. Each group to bring along one copy of this Monitoring Datasheet, the Frogs & Lizards Photo Identification Sheet and preferably a pair of binoculars. 2. Fill in all the blanks in the tables above, especially the date, start time and transect details. <p><u>During</u></p> <ol style="list-style-type: none"> 3. Spend 15 to 20 min to walk quietly and slowly, in one direction from the start to the end of the pre-determined transect. Avoid double counting. 4. Only record sightings that you are confident about. 5. You may photograph frogs & lizards, please record a 'P' next to these frogs & lizards and read Instruction 8. 6. DO NOT handle any frogs with your bare hands. Many species have poisonous skin secretions. In addition, they may be harmed by the insect repellent and sunblock on your hands. <p><u>After</u></p> <ol style="list-style-type: none"> 7. Fill in the end time in the table above. 8. If you have photographed a frog or lizard, please upload the photo onto iNaturalist under your school's ESN project.

S/N	Common Name*	Scientific Name	Numbers Observed	Remarks
Frogs				
1	Asian Common Toad	<i>Duttaphrynus melanostictus</i>		
2	Green Paddy/ Common Greenback Frog	<i>Hylarana erythraea</i>		
3	Four-lined/ Common Tree Frog (Common Southeast Asian Tree Frog)	<i>Polypedates leucomystax</i>		

S/N	Common Name*	Scientific Name	Numbers Observed	Remarks
4	Guenther's Frog	<i>Sylvirana guentheri</i>		
5	Crab-eating/ Mangrove Frog	<i>Fejervarya cancrivora</i>		
6	Paddy Field/ Grass Frog	<i>Fejervarya limnocharis</i>		
7	Banded Bull Frog (Asian Painted Frog)	<i>Kaloula pulchra</i>		
8	East Asian Ornate Chorus Frog	<i>Microhyla fissipes</i>		
9	Painted Chorus Frog (Tubercled Pygmy Frog)	<i>Microhyla butleri</i>		
10	Dark-sided Chorus Frog (Arcuate-spotted Pygmy Frog)	<i>Microhyla heymonsi</i>		
11	Greenhouse Frog	<i>Eleutherodactylus planirostris</i>		
Lizards				
12	Green Crested Lizard	<i>Bronchocela cristatella</i>		
13	Changeable Lizard	<i>Calotes versicolor</i>		
14	Common/ Malayan Water Monitor	<i>Varanus salvator</i>		
15	Bowring's/ Garden Supple Skink	<i>Lygosoma bowringii</i>		
16	Common Sun Skink	<i>Eutropis multifasciata</i>		
17	Flat-tailed House Gecko	<i>Hemidactylus platyurus</i> (<i>Cosymbotus platyurus</i>)		
18	Four-clawed Gecko	<i>Gehyra mutilata</i>		
19	Spotted House Gecko	<i>Gekko monarchus</i>		
20	Asian/ Common House Gecko	<i>Hemidactylus frenatus</i>		
21	Brown Anole	<i>Anolis sagrei</i>		
22	Sumatran Gliding Lizard/ Flying Dragon	<i>Draco sumatranus</i>		
Notes				

***Remarks**

1. The common names of frogs #3, 7, 9 and 10 are written as 'Local common name (iNaturalist common name)'. When entering data on iNaturalist, search using their iNaturalist common names.
